SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Madam/Sir:

A Third Party Submission was filed on July 12, 2005 in the above-referenced application. In accordance with MPEP §1134.01 and to ensure review of these references by the Examiner, Applicants have enclosed a supplemental Form 1449 citing the four references submitted by the third party. With respect to US Patent Application No. 2004/0044025 (redacted version), this is the same redacted version as submitted by the third party.

In accordance with MPEP §609 and §707.05(b), Applicants respectfully request that each document listed be given thorough consideration, and that the Examiner cite each document of record in the prosecution history of the present application by initialing the Form 1449 next to each document. Applicants request such initialing even if the Examiner does not consider: (1) a document to be sufficiently pertinent to use in a rejection; (2) a document to be prior art for any reason; or (3) that the guidelines for citation have been fully complied with respecting a particular document. Applicants make this request so that each document becomes cited on the face of a patent issuing on the present application.

Applicants submit this information disclosure statement in compliance with the duty to disclose information material to patentability under 37 CFR §1.56, but by listing such documents are not admitting that such documents are necessarily relevant or prior art. Applicants intend no representation that the listed documents represent the results of a complete search. Applicants anticipate that the Examiner, in the normal course of examination, will make an independent search consistent with 37 CFR §1.104, and, in the course of such search, will review for relevance every document listed on the attached form even if not initialed.

The references cited in this information disclosure statement are U.S. patent application publications. In accordance with 37 C.F.R. 1.98(a)(2)(i) Applicants have not provided copies of these references. Applicants, however, will provide such copies upon request from the Examiner.

Applicants request early and favorable consideration.

Applicants believe that they do not owe any fee in connection with the filing of this supplemental information disclosure statement. In addition, if there is ever any other fee deficiency or overpayment under 37 C.F.R. §1.16 or §1.17 in connection with this patent application, the Commissioner is hereby authorized to charge such deficiency or overpayment to Deposit Account No. **08-0750**.

The Examiner is requested to call the undersigned if any questions arise that can be addressed over the phone to expedite examination of this application.

Respectfully submitted,
